

Mathews and Associates Architects cc is an award winning architectural and design practice which was formed in November 2000. Our practice consists of Dr. Pieter J Mathews as lead architect supported by a dynamic team of colleagues and support staff. As a dynamic and innovative company we understand the importance of technology. Our office is fully equipped with the latest graphics, construction sharing and architectural 3D software on the market. Our numerous awards bear testimony to our skills and talent. Herewith a list of projects undertaken.

Dr. PIETER J MATHEWS

Pieter J Mathews was born on 24 February 1967 in Lichtenburg in the North West Province as the fourth of five children. He matriculated as head boy from Lichtenburg High School in 1985 and obtained academic colours every year. He obtained his BArch Degree in 1991 at the University of Pretoria, receiving the prestigious Goldfields of SA Scholarship for Architecture, the David Haddon Prize for Office Practice as well as a second place in the Portnet SA Richard's Bay Harbour Development Competition. He also obtained distinctions for design in his second, third and fourth years. He is married with 2 sons. Student publications: *Architecture SA* May/June 1990. Author: *Architexture*, published by Visual Books in August 2003, which received the Pretoria Institute for Architecture Presidents Award. In 2007 *Detail Housed* followed. He was the publishing editor for *Construction Primer* by Hans Wegelin.

In 2010 he was commissioned by the Pretoria Institute of Architecture to edit *Contemporary Capital*. In 2011 he was elected as president of the PIA and was simultaneously appointed Architectural Editor for *DeKat* Magazine. In 2010 *Decade of Design* celebrating the work of the past decade of MAAA was published with an essay by Diane de Beer, respected journalist of the Pretoria News. He was elected President of the Pretoria Institute for Architecture in 2012, for a 2 year term, and became a SAIA board member in 2012 until 2013. He is also the convener of Cool Capital Biennale 2014 for which he received the PIA President's award 2014 and again in 2015 with Carla Taljaard. In 2016 He was appointed as curator for the South African Pavilion at La Biennale di Venezia, Italy and gave a TEDx talk on the Cool Capital initiative. In 2018 Mathews was honoured by die 'Suid-Afrikaanse Akademie vir Wetenskap en Kuns' with the Medal of Honour Visual Art (Architecture). This prestigious award has only been awarded to 20 architects since the establishment of the foundation in 1909.

CAREER

In 1989 he completed part of his practical training in London (Bruce Gillbreth & Triad Architects) after which he travelled to Europe, USA (New York and California), Thailand, Hong Kong and Turkey. At Bruce Gillbreth he was involved with the Centre at Capability Green in Luton and at Triad Architects, Frimley High Street office building as well as a residential project for the government of Gibraltar.

After completing his studies in 1991 he was invited by Prof Dieter Holm (the former head of Architecture at the University of Pretoria) to join their practice: Holm, Jordaan, Holm. At the end of 1994 he was offered a partnership at Nel Storm Architects in Pretoria. With Jacques Gerber as partner they formed Mathews and Gerber Architects from December 1995 to November 2000. Mathews and Associated Architects was formed in November 2000, and has since then received numerous accolades and media coverage.

Pieter is a partner of MG Design Box, an interior design emporium where young creative talent is encouraged. The emporium has received extensive media coverage and is aimed at extending design further than architecture. He founded Visual Books in 2003 when he recognized the need for an architectural publishing house in South Africa.

In September 2000 he formed part of a study tour to Spain and Morocco, as well as in 2005 to London and Paris, in which year he also attended the Sao Paulo Bienal in Brazil; Amsterdam and Italy followed in 2007. In 2013 he formed part of a study tour to visit museums and galleries in the USA, organised by the Andrew W Mellon Foundation University Museums visited included YALE, NYU, Princeton, Penn, Rutgers, Galleries included the Metropolitan, MOMA and the Guggenheim.

Pieter regularly acts as an external design examiner for the Department of Architecture at the University of Pretoria (Thesis), the University of the Free State (Thesis) and the Tshwane University of Technology (3rd year).

Pieter completed his practiced-based Master's study in Architecture at the University of the Free State in 2019 and has completed his PhD in Architecture with Specialization in Design at the same institution in 2023.
